## **Formed in Fire: The Joyce Anderson Glass Collection**

**(Oct. 25, 2020 – April 11, 2021)**

Joyce Anderson has been collecting fine Czech pieces for a lifetime, and the NCSML is the fortunate recipient of many stunning examples of glass and porcelain. The exhibit will feature exquisite Moser vases, enameled oak leaves and insects, and glass jewels.

Amphora pottery with arts and crafts motifs will also be on display. Royal Dux porcelain, formed into intricate figures and whimsical animals, is a major element of the collection. Perfume bottles, vanity glass, animal figurines, and wine sets round out the exhibit. Visitors will also have the opportunity to see video footage of work at various Czech glass houses, and will gain an understanding of how sand and clay are almost magically manipulated to become works of art.

## **Good Idea Slovakia**

**(Sept. 19, 2020 – Jan. 31, 2021)**

*Good Idea Slovakia* is both the slogan and the brand of Slovakia. It is part of an ad campaign to encourage tourism and industry in Slovakia. The panels highlight Slovak advancement and treasures, in the fields of Innovation, Culture, Travel, Sports, Business, and Education.

## **Stitching History From the Holocaust**

**(Nov. 21, 2020 – March 21, 2021)**

*Stitching History From the Holocaust* uses the narrative of one couple to explore the Holocaust by bringing to life the innovative dress designs of Hedy Strnad. Hedy and her husband Paul originally sent these designs

to Paul's cousins in America as part of their effort to escape Prague in 1939. That effort ultimately failed, and these beautiful dresses serve not only as a unique memorial for a lost talent, but also as a touchstone for discussion about the human cost of the Holocaust and the plight of refugee populations.
